

🎵 Cory's Column...

Parkway family, please remember our church's food pantry and the gospel ministry that it presents. It is currently serving 12-20 people weekly, which may seem like a small number, but these families depend on our ministry every week. The food pantry helps to serve people in our community who are having a rough go and need a helping hand. Recently, we have given to a woman who is leaving an abusive relationship and starting over. Thank you, Parkway, for praying for and serving in this ministry. Current donation needs are:

- Single Snack Items – nabs, granola bars, Cheese-Its, fruit cups
- Microwavable Meals
- Small Cans Of Vegetables – NO corn or green beans
- Meal Replacements – Ensure, protein drinks

Remember, if you give a monetary donation, to write "Food Pantry" in the memo line of your check or on the envelope if giving cash.

Also, our newly published smart-phone app is available for iPhones and Android. With this app on your mobile device, you will have access to the current newsletter along with instant notifications from the church staff. The app also has the ability to include other forms of communication and encouragement as we develop it in the near future. To download the app:

iPhone – search the app store for the ShareFaith app.

Open the app when it installs, and search (within the app itself) for Parkway Tupelo. After this the ShareFaith app will be permanently linked to our Parkway app, and you're all set!

Android – search the Play store for Parkway Tupelo. Our app with our logo should show up. Click install, and you should be good to go!

If you have any questions or need assistance installing or using the app, ask Bro. Cory or Andy Witt (or any teenager) and we will gladly help out.
